CELSYS, Inc.

“CLIP STUDIO PAINT Volume License” for corporations now available worldwide

CELSYS now provides the “Volume license subscription edition” of its manga/illustration/anime production software “CLIP STUDIO PAINT” in English, French, Spanish, German, Korean and Chinese (traditional). The edition is suited for large-scale institutions such as corporations and educational faculties.

Recently, the number of CLIP STUDIO PAINT users outside of Japan has been increasing rapidly. To meet the subsequent increase in corporate demand, CELSYS has decided to provide volume licenses globally.

【What are volume licenses?】

- Volume licenses are products that allow companies and educational institutions to use multiple terminals with a single serial number.
- You can apply the subscription version (annual contract) starting from 10 licenses.
- The same terminal can be used by any user.
- Beneficial discounts are available depending on the number of licenses in the contract.
- All accounts can be managed with a single serial number regardless of location.

【Specifications of volume licenses】

- ✓ Multi-user support, which allows multiple users to use a single device with separate accounts.
- ✓ The same terminal can be used by any user.
- ✓ Licenses are activated through the internet.
- ✓ Available for environments which revert the hard disk to a set restoration point upon restart. Cases in Japan with “Shunkai” and “Deep freeze” environments have proven to be successful.
- ✓ Available for environments using proxies.
- ✓ Also available for thin client environments.
