Candera booth image

“Automotive World” is an exhibition where the latest technologies of the leading themes in the automobile industry, such as autonomous driving, electronic and electric cars, connected cars, and weight reduction. It has been held on scale up year by year as a place for technical consultations and business talks with car manufacturers, auto parts manufacturers and suppliers around the world. This time, the exhibition will be held for the 12th time next spring.

Candera are going to prepare several demonstrations of “CGI Studio”, in-house developed product, and propose it as an automotive solution at this event.

Also, we will give some novelties—original pen or candle for you on a first-come-first-served basis on our booth. Candera team is looking forward to meeting you at Candera booth—the sign with “Candera Japan Inc. – Embedded HMI Design”.

Candera original novelties
