The International Illustration Contest aims to support and shine a light on artists by providing a chance to compete and showcase their work. The contest is held on a regular basis, with this being the 20th contest. Creators of all ages and nationalities compete in this illustration contest, with the previous contest receiving more than 1,600 submission from 89 countries.

The theme this time is “fantasy job”. Winners receive cash prizes and copies of Clip Studio Paint, the graphics software for illustration, comics, and animation, and the winning entries are featured on Celsys’ official social media.

With this contest and in the future, Celsys will continue providing opportunities and tools that support digital artists in their creative activities.
