▼About Clip Studio Paint for Galaxy*1

Clip Studio Paint for Galaxy is an illustration, manga, and animation app with all the same functions as the versions for Windows, macOS, iPad and iPhone. You can use it free for 6 months when you download the app from the Galaxy Store. After the free offer ends, you can sign up for a monthly plan for your preferred devices (Galaxy/Windows/macOS/iPad/iPhone) and preferred payment plan to continue using the app. Clip Studio Paint for Galaxy is preloaded on Galaxy Tab S7 and S7+, the first Android devices with Clip Studio Paint, so that artists can start using the app immediately.

The first Android device with Clip Studio Paint, so that artists can start using the app immediately.*2 Users on smartphone devices can sign up for a plan or use the app for one hour per day for free without a plan.

The app has high compatibility with the S Pen for Galaxy devices, taking advantage of features such as pen sensitivity and Air actions.*3 Air actions allow you to quickly switch tools without touching the screen simply by moving the stylus, so you can enjoy a smooth drawing experience with efficient gesture shortcuts. If you don't have an S Pen, you can use the app by connecting with a Wacom Intuos pen tablet or Wacom One LCD tablet.
